Dear Parents and Carers,

It is that time of year where we have been planning for September and trying to ensure your child has the best transition possible to ensure a smooth start for the academic year.

The plan for FS2 - Y5 will ensure that all children will have a visit into their current class from their new class teacher to read them a story before enjoying a morning where they will go to their new classroom and learn all about how that class runs, start to get to know their new teacher and have the opportunity to ask their new teacher questions about their class routines and expectations. This will take place on Thursday 2nd July. For some children, transition books may be sent home over the summer to support the children if they are felt appropriate and helpful for your child.

For parents, there will be an opportunity for you to attend a **'Meet the Teacher' meeting** where you can familiarise yourself with your child's new teacher and hear some information about expectations in the new year group. This will be accompanied by a parent booklet which will outline more details where needed. These meetings will be held in school on **Wednesday 9th September 3.30pm and 4pm**. This will give time for you to attend more than one meeting if you have more than one child in school.

Below we have outlined classes for next year. We are appointing for our 2 year old provision and will inform you when we have made that appointment. We have mixed some classes for September and if this applies to your child, we have attached a slip to this letter outlining which class and teacher your child will have next year.
