15th October 2024

Dear Parents and Carers,

Developing a sense of community around our school is one of our key priorities this year and as part of this, we would like to form a small working party to start consulting on communication between home and school and how this can be improved. Parent Voice is very important to us and if you have any comments about this area of school life, ideas on how we could utilise the tools we do have more efficiently (such as Seesaw) or ideas on how we could change our communication procedures, we would love for you to join this group.

We are looking for parents who are interested in developing this to meet with Mrs King, Mrs Appleyard and Mr Harper to discuss communication tools that we currently have and how this area of school life can be improved for parents as well as staff.

Please complete the form below and hand in to the school office before Thursday 24th October for the attention of Mrs King. We will then contact you to arrange a meeting in November to start these discussions.

We look forward to working with you and many thanks for your interest in our school.

Yours sincerely

Nicola Wileman
Headteacher

FAO Mrs King – Interest in the communication working party

Name: _____

Child's name _____ Class _____

I am interested in joining the working party focused on communication between home and school
