Dear Parents and Carers,

As we head into the final summer term, we're excited about the many wonderful opportunities coming up for our pupils. This is always one of the most memorable parts of the school year, filled with learning, celebration, and important transition activities that help children feel confident and ready for their next steps.

We have a fantastic programme planned, including sports days, end-of-year events, class projects, trips, and special curriculum days. For pupils moving year groups or moving onto new schools, our transition events are especially important. These sessions help children meet new teachers, explore new environments, and build the reassurance they need to start the next stage of their education feeling settled and positive. There are also important assessments taking place.

There has been a significant increase in term time holidays in recent months. We can only approve term-time leave in exceptional circumstances. Unfortunately, holidays or cheaper travel are not classed as exceptional and will result in a holiday fine. To make sure every child can take part in our end of term activities, we kindly ask families to avoid taking holidays during term time. Attendance during the summer term is vital so pupils do not miss out on key moments that support their learning, friendships, and confidence.

The final day of term is **Friday 17th July 2026**.

Thank you for your continued support. We're looking forward to a brilliant term ahead and to celebrating all the achievements of our pupils. Please see the reverse of this letter for our upcoming events. We will also be adding information about events to our Instagram page each week, keep checking in to make sure your child does not miss out!

Have a wonderful weekend.

Warm regards,

Nicola Wileman
