3rd June 2026

Dear Parents and Carers,

I am writing to provide an update regarding the industrial action previously notified by the National Education Union (NEU).

Following constructive discussions between the Trust and the NEU this evening, we are pleased to confirm that the **industrial action planned for tomorrow, Thursday 4 June 2026, has been suspended.**

As a result, the school will be open as normal on Thursday and pupils should attend as usual. We understand that this is another short notice change but know that it will be positive news that your child can be in school to undertake their learning as usual.

During discussions, both parties agreed that further work should take place to review workload considerations associated with the Trust's operational review proposals. A further meeting has therefore been arranged for next week and discussions will continue.

At this stage, the remaining industrial action dates previously notified by the NEU remain in place whilst those discussions continue. However, we are encouraged by the progress made and remain hopeful that a resolution can be reached through ongoing dialogue.

Should there be any further developments, we will communicate with families as quickly as possible.

We would like to thank parents and carers for their patience, understanding and continued support throughout this period.

Yours sincerely,

Nicola Wileman
Headteacher
