Dear Parents and Carers,

We are writing to inform you that the price of primary school meals will remain at £2.95 for the 2026/27 academic year.

We understand the importance of providing high-quality, nutritious meals for our pupils while also supporting families with managing costs. After careful consideration, we are pleased to confirm that there will be no increase in meal prices for the upcoming year.

Our commitment remains to offer balanced, healthy meals that support children's wellbeing, learning, and development throughout the school day.

If your child currently receives free school meals, this will continue as usual and no action is required.

Should you have any questions or require further information, please do not hesitate to contact the school office.

Yours sincerely

Nicola Wileman
Headteacher
