Dear Parents and Carers,
Re: Sign language club

We are pleased to announce the launch of a new opportunity for your child – our **Makaton club!**

Thursday 5th June – Thursday 10th July

Makaton is a communication system that uses signs and symbols to support speech. It can be a helpful tool for children with communication difficulties, and it can also be a fun and inclusive way for all children to learn new ways of expressing themselves. **Why join the Makaton Club?**

- **Improved Communication:** Makaton helps children develop both verbal and non-verbal communication skills. It is also great for those new to English!
- **Engaging Learning:** Sessions will involve games, songs, and interactive activities to make learning enjoyable.
- **Inclusive:** Makaton is accessible to children of all abilities, whether they are beginners or have some experience with sign language.
- **A Valuable Skill:** Learning Makaton can provide children with a meaningful way to communicate with others.

What will your child experience? In each session, your child will learn simple signs for expressing emotions, asking questions, and even communicating through songs.

The club will take place in Furnace classroom with Miss Harvey and Miss Eve on Thursdays commencing 5th June 2025. Children will need to be collected after the club at 4:10pm prompt.

First come, first served. We will be in touch to let you know via a letter if your child has received a place.

Yours sincerely
Miss Harvey and Miss Eve
