27th January 2025

We're taking part in NSPCC Number Day!

Dear Parent/Carer,

We are delighted that we are able to take part and show our support in the NSPCC's number day on Friday 7th February 2025.

By taking part we are hoping to show our support and raise as much awareness as we can to help the NSPCC be able to fund their vital services such as Childline. This is a helpline service that is always there for children and young people whatever their problem or concerns are.

All our children will be taking part in the theme "Money Challenge", We will be working in our classes to solve exciting maths puzzles and looking back at famous mathematicians such as Isaac Newton and Florence Nightingale.

The day will be full of fun maths activities and a Dress up for Digits. Number Day is a great way of making maths fun and be able to bring a positive, 'can-do' attitude towards learning.

We would like to invite all pupils to wear an item of clothing with a number on it (football shirt, cap, netball shirt, onesie or even something more creative!).

Everything the NSPCC does protects our children today and prevents abuse tomorrow.

The NSPCC needs our support more than ever.

On average, a child contacts Childline every 25 seconds

Making maths meaningful whilst Safely Fundraising. It all "ADDS" up

We are looking forward to a fun day full of Numbers, and we really appreciate your support. Let the countdown begin.

Yours sincerely

Mrs. Bailey
Maths lead
