Dear Parents and Carers,

I am writing to share an opportunity for you to become more involved in our school community by joining our school governors.

As a member of the governing body, you will play a vital role in shaping the future of our school. The governors are dedicated to ensuring that we provide the best possible education for our students, and your insights and perspectives as a parent or carer would be invaluable. We are looking for someone who can help us fully embrace the strategic direction set out by the school, aligning with the vision, ethos, and focus of our Trust.

The commitment involves attending six meetings throughout the academic year, typically one per half term starting at 4:00pm. We will discuss key issues, monitor progress, and make decisions that affect our school community. It is a fantastic chance to meet other parents and staff, contribute to discussions that matter to our students, and help us strive for excellence in all that we do.

If you are interested in this opportunity or would like to learn more about what being a governor entails, please feel free to reach out to me directly. I would be more than happy to answer any questions you may have and discuss how you can make a positive impact. To express your interest in the governor role, please email enquiries@hillsborough.sheffield.sch.uk by **Monday 7th July 2025**.

Thank you for considering this opportunity to get involved. We truly value the partnership between families and the school and look forward to potentially welcoming a new voice to our governing body.

Warm regards,

Mrs Buxton
Teacher and staff governor
