Dear Parents and Carers,

## **World Book Day 2025: Thursday 6<sup>th</sup> March**

I am writing to inform you about our upcoming celebrations for World Book Day on **Thursday 6<sup>th</sup> March**. We have planned a wonderful day filled with exciting activities centred around reading. This special day provides an excellent opportunity to promote a love of reading and to celebrate the joy that stories bring.

**To add to the fun, this year we invite all the children to come dressed in their pyjamas!** This will create a cosy atmosphere as we dive into the fantastic world of books together. Our teachers have prepared a range of engaging reading-related activities that promise to inspire a love for literature among our students.

### **The Big Book Swap**

Additionally, I'm pleased to announce that the Big Book Swap will be making a return! This is a fantastic opportunity for the children to take part in a book swap. Each child may bring in a maximum of five children's books from home, which they can then exchange for tokens. This token can be used to trade for 'new' (to them!) books, allowing them to discover different stories while sharing their own. This will run in the afternoon in the library and each class will have the opportunity to choose their new books.

Please can children bring in **a maximum of 5 children's books**. Please bring in any donated books in a labelled bag by **Wednesday 5<sup>th</sup> March** and give them to your child's class teacher. Any left-over books will be donated to our school library.

Please encourage your child to participate fully in this event, as it fosters not only a love of reading but also a sense of community and sharing. Should you have any questions or suggestions, please do not hesitate to reach out.

Thank you for your support, and we look forward to a delightful day celebrating the joy of reading!

Warm regards,

Mrs Buxton
