16th June 2025

Dear parents and carers,

Re: Year 2 Yorkshire Wildlife Park Visit

On Friday 20th June we will be visiting Yorkshire Wildlife Park. Looking forward at the weather forecast, it looks like it is going to be hot and sunny. The park is mainly outdoors so we will be out in the sunshine throughout the day.

Can you ensure that your child brings a hat to protect their head from the sun, ensure they have had suncream on in the morning, sensible shoes for walking (no sandals) and that they bring a sealed bottle of water.

Also there is nowhere to store your child's lunch and they will need to carry this around with them all day. If possible, can your child bring a small backpack to put their lunch and water bottles in.

If your child has ordered a pick and mix from school, can they also bring a backpack so that they can carry their pick and mix in their bag. Pick and mix children will need to ensure they bring a water bottle too.

If your child has recently been prescribed any new medication, please ensure that you take this to the main school office beforehand, or on the morning, so that we have this on the day of our trip.

Please speak to a member of staff if you require any further information.

Thank you for your help with this.

Yours sincerely

Mrs Jeffcock
Y2 Teacher
