6th January 2025

Y6 SATS

Dear Parents / Carers

The KS2 SATS will be taking place this year on the week commencing Monday 12th May. As we begin the Spring term, we are writing to let you know of some of the activities taking place to help the children prepare for these assessments.

Revision Guides

All children will be provided with a set of SATS revision guides for maths, reading and SPaG (spelling, punctuation and grammar) which have been made available free of charge. In addition, all children will be given a login for the Century Tech learning platform which can be accessed at school and at home.

Revision Club

From Monday 13th January onwards we are inviting all children to attend school from 08:30 – 008:50 for revision club. We will use this time to work on maths skills using the revision guides and Century Tech.

Booster Sessions

Starting this term, some children will be attending short additional booster sessions during the school day to help support their learning of specific skills. This will continue until the SATS week.

After half term, some children will be invited to attend after-school sessions to support their learning. These will take place in small groups and drinks/biscuits will be provided. More information about these groups will be provided closer to the time.

Homework

Homework will continue to be set weekly using Seesaw and the SATS revision guides with a focus on spelling, grammar and punctuation. This will be assigned on Friday and is expected to be completed and available back in school the following Wednesday. Developing and maintaining good homework habits will help prepare the children for secondary school where homework expectations are higher.

A short after-school meeting will be held on **Monday 13th January at 3:20** if you would like to ask any questions. If you are unable to make this, please contact your child's teacher directly.

Many thanks for your continued support,
Mr. Harper Mrs. Bailey
