Our Learning this Week

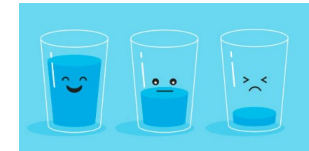

Literacy

This week we will be looking at the story of Jack and the Beanstalk. Why not share reading the story, do you have this story at home? If not perhaps you could pop to a library to borrow it.

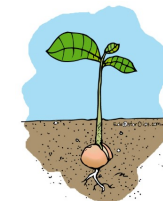

Maths

We will be building on from our knowledge of measurements and looking at capacity. At home please discuss if something is full or empty.

Understanding of the world

We will be planting a seed to grow. We will start them at Nursery to begin their growing journey and then we will be able to take them home to watch them grow taller and taller.

SPRING CELEBRATION

**Jump into spring by joining your child to create wonderful
spring crafts together.**
