More information to follow

Topic this half term:

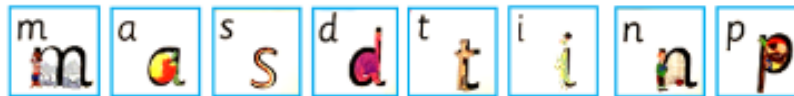

The Wider World

Value of the week:

Be Safe

Read Write Inc. Phonics

Sounds we know:

We are learning this week:

Our Learning this Week

Literacy

Our story this week is the 'Somebody swallowed Stanley'. The story looks at rubbish in our oceans.

Maths

In maths we will be looking at more and less in our numbers. Please support your child with asking them what one more or one less might be to a group of items.

Understanding of the World

This half term we will be learning about the wider world. We will be starting by exploring the oceans. This week we are looking at how to recycle, reuse and reduce our waste. At home you can support your child with their understanding of protecting the world by recycling together.

Under the Sea
