

Maths

We will be continuing to use a Part Whole model to split a group into parts. We will be finding the number bonds that go together to make 3, 4 and 5.

RE

We will be learning more about the Christmas story.

Talking about why Christmas is important for Christians and discussing how we may all celebrate Christmas differently.

PE

We will be practising our hopping in PE. Thinking about bending our knees and keeping our chest up to stop us from falling forward.

Our Topic is: **Christmas**

Christmas show and craft afternoon

Christmas show: Tuesday 19th December, 9.10am, Lower hall via KS1 playground.

Craft afternoon: Tuesday 19th December, 2.15pm

Literacy

We will be reading 'Stick Man' next week. Learning about the characters and the problems he has to solve.

EAD

We are going to make our own salt dough decorations next week. Talking about how the dough changes when it is

Homework:

We would like for the children to practise the songs for our Christmas show ahead of our performance.

Please see on Tapestry links to the songs which your child has been learning.
