

WB 14th October 2024

Reception Week Ahead

World Mental Health Day Thank you for your support!

Thank you very much for your support with World Mental Health Day.

The children enjoyed reflecting back on our story 'Ruby's Worry' and spoke about strategies we can use when we feel sad, worried, embarrassed or shy.

We really appreciate your donations that will go to the Young Minds Trust charity. There is still time to donate— follow the link

This week, our learning will be focused around signs of autumn and harvest. We will learn where our food comes from and how this ends up in our homes.

We will explore our school grounds and learn why the leaves fall from the trees and what wildlife do during the autumn.

Our topic is All About Me

Our school value of the week is

Be kind

Being regularly read to at home, prior to beginning school, is the single most significant factor influencing a child's educational success

National Commission on Reading, Children's Access to Print Material and Education-Related Outcomes

Reading with your child can raise your child's IQ by more than SIX points. "The earlier the interactive reading takes place, the larger the benefits."

How to Make a Young Child Smarter, Perspectives on Psychological Science, 2013

Read, Write, INC—Phonics

We will be learning

Down the long leg

Down the head, to the hooves and over his back

Down his back, then curl over his arm

Down the body, curl and dot

Hillside Primary School
Reception Class

You are invited to our

Phonics Workshop

Come and see how we teach phonics
and take part in crafts and fun with
your child!

Tuesday 22nd October
1.45pm until 3.05pm

Please wait by the Maidenhall gate to be
invited in
