This is a Fred Talk game. Children say the sounds and then the word.

This is a reading video. Watch Maya as she models how we read words in our phonics lessons.

Maths

This week we will be learning about **weight**.

Which item is the heaviest?

Which one is the lightest?

Just because something is big, does it mean that it is heavier than something small?

You may like to explore this at home. Making your own scales is a fun activity that you can do with simple items from around the home.
