

WB 6th May 2025

Reception Week Ahead

Gardening

We have been busy this week sprucing up the garden with some new flowers.

We have planted Violas and Petunias. We looked carefully at the roots and thought about how we should look after them. Great job, children!

Curriculum Update

Maths— This week we will be learning to recognise and write numbers to 20. Can you try this at home? Perhaps you could count groups of toys such as blocks or cars. Scan the QR code to see Numberblocks showing how we write numbers.

Literacy & Science— We have been reading Tad by Benji Davies. The children have also enjoyed learning about the life cycle of a frog. **We are still on the hunt for some frogspawn to show the children. Do you know of any that we may be able to borrow?**

Warmer Weather

As the weather warms up, please ensure your child brings a **named summer hat** to school each day. A legionnaire's style is preferred to protect the neck and head.

We also ask that **sunscreen is applied at home each morning** to help protect them during outdoor activities. Look for a 5 star UVA rating.

Thank you for helping us keep all children safe in the sun.

Our school value of the week is
Be Brave

Uniform Reminders

Please ensure your child is wearing the correct school uniform for each day.

Jogging bottoms and trainers are only to be worn on PE days.

Thank you

Punctuality

Being on time for school is important for your child and for others. Late arrivals disrupt learning and affect both staff and students. We also run helpful morning activities that support children's wellbeing and readiness to learn—please make the most of them by arriving promptly.

Number Formation Activity

Can you trace the numbers?

0 0 0 0 0 0 0 0 0 0

1 1 1 1 1 1 1 1 1 1

2 2 2 2 2 2 2 2 2 2

3 3 3 3 3 3 3 3 3 3

4 4 4 4 4 4 4 4 4 4

5 5 5 5 5 5 5 5 5 5

6 6 6 6 6 6 6 6 6 6

7 7 7 7 7 7 7 7 7 7

8 8 8 8 8 8 8 8 8 8

9 9 9 9 9 9 9 9 9 9
