

WB 19th May 2025

## Reception Week Ahead

### Warmer Weather

As the weather warms up, please ensure your child brings a **named summer hat** to school each day.

A legionnaire's style is preferred to protect the neck and head.

We also ask that an **all day sunscreen is applied at home each morning** to help protect them during outdoor activities. **Look for a 5 star UVA rating.**

Thank you for helping us keep all children safe in the sun!

### Named Clothing

PLEASE ensure your child's clothing—jumpers, shoes, hats, water bottles and bags are named. With the warmer weather here, children are more likely to take off layers during the day. We have had 10 unnamed school jumpers put in our box this week and no way to reunite them!

Writing their name in biro is perfect and much appreciated!

Thank you

### Curriculum Tasks

**Maths**— This week we will be learning about sharing . This means that we are sharing a set amount of items between a known number of groups. Follow the QR code to play **Curious George's Fair Share** game to practise.

### Literacy

We have been learning about the story of Shu Lin's Grandpa by Matt Goodfellow. Shu Lin's Grandpa had a talent for painting. What does your child have a talent for? Talk about this over the weekend and be ready to share next week! If you would like to bring in any photos or certificates, please do!

**Our school value of the week is**

***Be Brave***

### Things your child needs for school every day

- A named purple bookbag containing their book pack.
- A named sun hat.
- A drawstring bag containing a set of spare clothes on their peg in case they need to get changed.
- A named water bottle.

### Punctuality

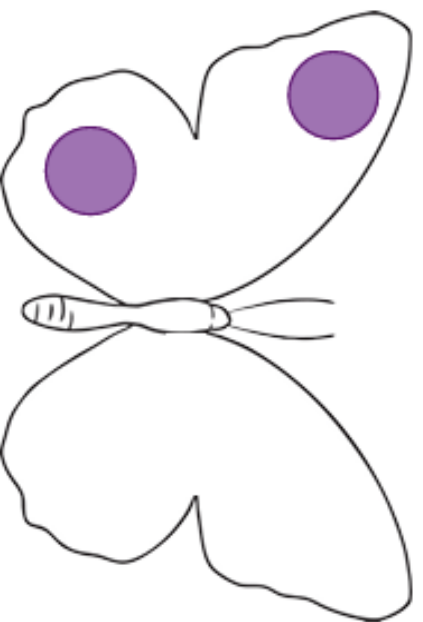

Being on time for school is important for your child and for others. Late arrivals disrupt learning and affects both staff and students. We also run helpful morning activities that support children's wellbeing and readiness to learn—please make the most of them by **arriving promptly at 8.30am.**
