

Maths

We will be learning and practising out counting to 5. Making sure we are counting carefully and correctly.

We will find different ways to represent 5.

PE

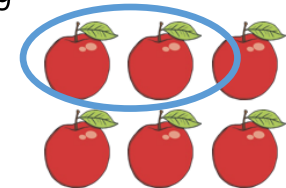

We will be developing our gross motor movements with moving in different ways like hopping and stepping over objects. We will also practise following instructions.

Tapestry

There is still time to share photos of your family and houses on Tapestry. Please keep sharing if you haven't already!

Homework:

Can your child complete the sheet attached, circling the correct amount of fruit asked?

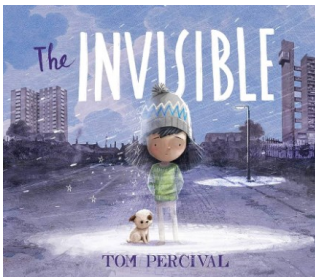

Our Topic is: **Who am I?**

Literacy

We will read a new story called the invisible. We will talk about families and the things that we do together.

Phonics

We will be learning these sounds next week

c k u b f

Please join us on **Thursday 5th October at 3.15pm** in the lower hall to learn more about how we teach reading and phonics at school. Childcare will be provided.

You are then invited into school on **Tuesday 10th October 8.30 - 10.15** to watch Miss Thompson and Miss Cantin teach phonics and see what activities you can do at home to support your child's learning.
