Maths

We will be using tens frames to secure our understanding of counting

Literacy

We will continue to read the story 'Zog' and talking about the problem of the story.

We will also be describing the dragon Zog and writing sen-

PE

We will be continuing to develop our balancing, this time using apparatus.

Our Topic is: People who help us

EAD

We will be creating our own dragons. The children will get to decide which materials and colours they would like to use.

RE

We will learn about another celebration from around the world 'Chinese New Year'. We will learn about the 12 animals from the Chinese New Year

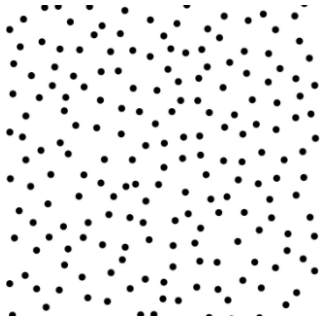

New Story.

Homework:

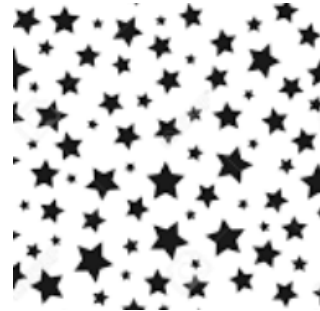

We would like the children to go on a pattern hunt this weekend! Can you find things around your house with different patterns on?

Use the sheet on the back to help you and upload some photos onto Tapestry of what you have found.

Can you find these different pat-

spot-

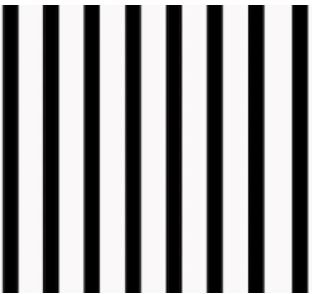

stars

zig-zag

spi-

stripes

square
