

## Maths

We are learning about the composition of 10. We will be using Part - Whole models to support our learning.

## Literacy

We will continue reading our book called 'The Wall and the Wild'. We will talk about the problem and solution in the story and we will discuss if characters behaved in a nice or not nice way.

## PE

We will be continuing our topic: ball skills. This week we will be developing rolling and stopping a moving ball.

Our Topic is: **What's Outside?**

## RE

In RE we will be learning about baby animals and why baby animals are born in Spring.

## What's happening next week?

Wednesday 6th March - **Author visit** - Marjoke Henrichs

Thursday 7th March - **World book day!** Your child can come to school dressed as any character from a book.

Thursday 7th March - **Free Gruffalo workshop!** For parents/carers and your child to come to Hillside Primary School for a workshop based on the popular book. Please see the flyer attached.

## Reminder

Sweets and chocolate bars are not allowed at school in your child's lunch box.
