

Maths

We will begin to explore doubles to 10. We will learn this through printing and adding the same numbers together.

Literacy

In literacy we will be continuing to read the story 'The Koala who could'. We will discuss what the problem is and how it is solved. We will also discuss how characters have behaved.

Reminder

Now that the weather is beginning to get warmer, can you please ensure your child brings a sunhat to school and wears sun cream that will be able to last all day. Thank you.

Our Topic is: **Where in the world?**

PE

In PE we will be practicing some events in preparation for Sports Day. This week we will be focusing on the water relay race.

Music

In music, the children will listen and talk about different pieces of music, Sing in waltz time and perform actions to go with a song.

Homework

The homework this week is to complete the doubles to 10 work sheet in preparation for this weeks maths learning.

<p><small>Doubles to 20</small></p> <p>Ladybird Doubles</p> <p><small>Write the number sentence for each ladybird double.</small></p>	<p><small>Doubles to 20</small></p> <p>Butterfly Doubles</p> <p><small>Write the number sentence for each butterfly double.</small></p>
 $1 + 1 = \underline{\quad}$	 $1 + 1 = \underline{\quad}$
 $2 + 2 = \underline{\quad}$	 $2 + 2 = \underline{\quad}$
 $3 + 3 = \underline{\quad}$	 $3 + 3 = \underline{\quad}$
 $4 + 4 = \underline{\quad}$	 $4 + 4 = \underline{\quad}$
 $5 + 5 = \underline{\quad}$	 $5 + 5 = \underline{\quad}$
