Weekly Newsletter

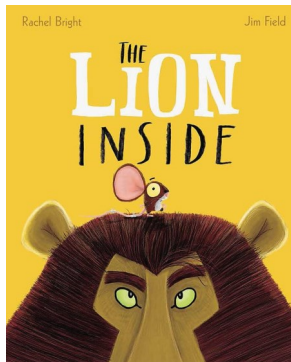

Maths

We will be counting back from a number using a number track. We will then be finding one more and one less of a number

Literacy

In literacy we will continue reading 'The Lion Inside'. We will discuss how the problem is solved in the story and whether the characters behaved in a nice or not nice way?

UW

We will be learning about how a seed is planted and how we can take care of it. We will then plant seeds in our outside area.

Our Topic is: **Where in the world?**

PE

In PE we are starting a new topic: games. We will be developing our throwing and keeping count of our scores.

EAD

In art we will be learning about the Illustrator Eric Carle. We will start the process of creating our own collaged art work inspired by his work.

Homework

Please make sure you are listening to your child read each night and signing this in their diary.

If your child in Ditty, Red or Green group, we have attached a list of **red words** for you to practise at home. These are words that cannot be sounded out. Children need to just recognise these words.
