

## Hillside Primary School and Nursery “Achieving Greatness Together”

Friday 28th June, 2024

### *Transition coffee morning for Year 6 parents*

*On Wednesday 26th June, Mrs Welsby ( Assistant Principal from Stoke High School) Miss Ola and I met with Year 6 parents to support the transition process. Moving from primary to secondary is an exciting and significant event in the life of a child. It marks a change in expectations regarding crucial life skills such as independent working and self - organization. We shared lots of top tips including, ‘never do anything regularly for your child that they are capable of doing for themselves’. Thank you to Mrs Welsby for answering all our questions!*
