

Hillside Primary School and Nursery

“Achieving Greatness Together”

Friday 8th November 2024

Dear Parents and Carers,

Welcome back to school! It has been a positive transition with new clubs launched, good attitudes to learning and themed Maths and Writing lessons to support engagement.

On Monday, Mrs Box led an assembly to introduce our 'Talk money' focus. Linking maths to real life contexts is a priority for us and lessons focused on budgeting and spending this week.

Throughout the week, all writing lessons have been focused on, 'Shadow Stories,' linking literacy and Science. The children have created their very own stories alongside a shadow theatre to enhance their story telling skills. Keep an eye next week for photos of the children sharing their stories!

Wishing you a lovely weekend. Next week we are continuing to promote our zero approach to anti bullying. Thank you for all your ongoing support!

Don't forget it's our 'Odd Socks Day' on Tuesday to celebrate that we are all different and unique.

Best wishes,

Mrs Wass

Hillside Primary School and Nursery

“Achieving Greatness Together”

Friday 8th November 2024

We are a listening school!

Thank you for the 117 recent responses to our survey. We are grateful for your feedback which supports our ongoing school development and this will be discussed during our Parent Council meeting next week. .

Next steps:

Awareness of bullying. Although the feedback was approximately 90% positive, we are continuing to develop awareness in this area. We are supporting Anti Bullying week next week which is themed 'Choose respect'. Although we take action all year to bring an end to bullying. Help us to STOP bullying. If you have any concerns, please speak to your child's class teacher so we can swiftly deal with any issues to prevent bullying.

BULLYING IS WHEN SOMEONE HURTS YOU...

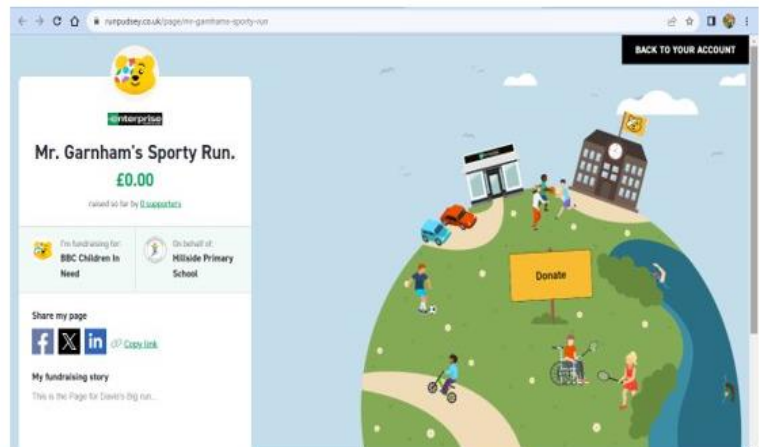

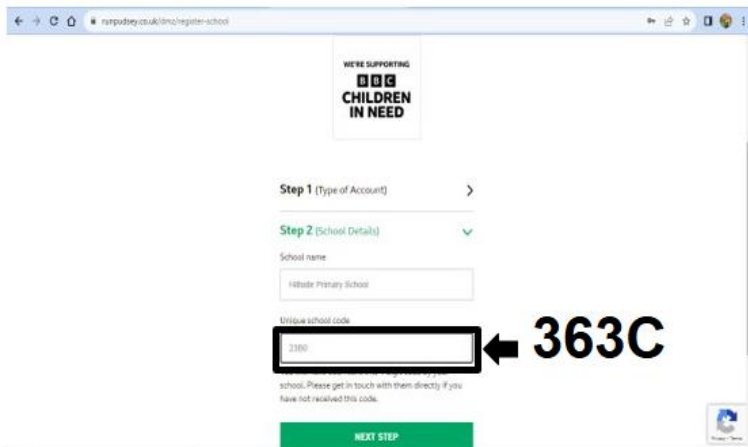

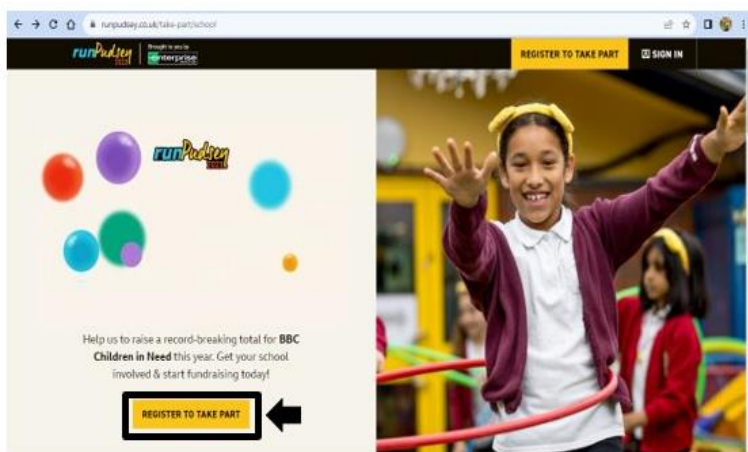

SEVERAL TIMES ON PURPOSE

Hillside Primary School and Nursery
“Achieving Greatness Together”
Friday 8th November 2024

On Friday 15th November we will be raising money for Children in Need. Children can come to school in non-uniform and we will be doing a variety of sponsored sports!

This year for Children in Need we are using a website called 'runPudsey', this enables you to register an account for your child where you and others will be able to donate. Every child who registers and raises money through this will receive a medal as a thank you for their contributions!

Below is a step-by-step guide on how to register, following this link:
<https://www.runpudsey.co.uk/school/hillside-primary-school>

What Parents & Educators Need to Know about

FORTNITE

AGE RESTRICTION
PEGI
12

WHAT ARE THE RISKS?

Fortnite was launched back in 2017, but it remains massively popular – with more than 650 million active players. That's partially due to the competitive nature of its player-vs-player combat, its pop culture crossovers and its constantly shifting map. Significant updates are rolled out with each new version of the game – known as 'chapters' – and within these sit shorter 'seasons'.

ALWAYS ONLINE

There's no single-player offline mode in Fortnite: it can only be played online. Internet access can sometimes be an issue when you're out and about (both in terms of connectivity and using up data), so you may find that dedicated young Fortnite players are often less enthusiastic about trips away – such as days out and holidays – than you might expect.

IN-GAME COSTS

Fortnite is free to download and play, but it does offer various additional purchases – cosmetic 'skins', music tracks and LEGO items – which don't really impact on gameplay but can cost a significant amount. These items are bought with in-game currency, V-Bucks – earned through completing the Battle Pass (which also costs V-Bucks) and can also be purchased from the game's store for real money.

POP CULTURE REFERENCES

Part of Fortnite's appeal is its ongoing crossovers with other popular franchises, ranging from movies and TV shows like Family Guy and Avatar: The Last Airbender to comic book characters including Batman to other games such as Street Fighter. This means you could have children asking questions about the monster from Alien or Geralt from The Witcher a little sooner than you otherwise might have.

CROSSPLAY AND PARTY CHAT

Fortnite is popular with many gamers of various ages. 'Crossplay' lets friends play with each other, regardless of whether they're on an Xbox, PlayStation, Nintendo Switch or PC – while the 'party chat' feature allows them to talk to each other during the game. This can, however, put youngsters at risk of hearing inappropriate language from older players in the heat of virtual combat.

VIRTUAL VIOLENCE

At its core, there's no avoiding that Fortnite is about shooting other players to eliminate them from the contest. That said, there's no blood or gore. The violence is rendered in a cartoonish style, and there are frequent comical touches to lighten the mood, such as fishing mini-games and dancing emotes. Machine guns, shotguns and other weapons often look and behave realistically, however, so discretion is advised.

FREQUENT UPDATES

The game's developers release content in 'seasons' that usually run for around ten weeks. Each fresh update sees items added to the in-game store, changes to the environment's map and a different over-arching theme (such as 'medieval', 'pirates' or 'party'). These regular renewals help to hold players' interest – but also give young gamers plenty of reasons to keep coming back.

Advice for Parents & Educators

MATCH GAMING TIMES

Younger players tend to play Fortnite with their friends. With that in mind, it could be worth speaking to the parents and carers of a child's social group and coordinating their gaming around certain times of day. Safety in numbers is obviously a factor here, but it will also help children feel that they're getting adequate opportunities to socialise with their friends online.

SET SPENDING LIMITS

Fortnite's rotating store is a not-so-subtle mechanism for coaxing players into buying sought-after items before they disappear for weeks or months. This could lead to surprise transactions on bank cards if children are tempted into an impulse purchase. Parents could consider getting a prepaid card for the child or ensuring that purchases require adult authorisation. This can be done through parental settings on a console or account settings in the Epic Games app on PC.

USE UPDATES AS REWARDS

Fortnite's seasonal updates are free, but each also brings the option of a 'battle pass', unlocking exclusive rewards for playing the game and completing set challenges. The passes cost around £8 and are also available as part of larger bundles. The purchase of passes can be an effective reward to young Fortnite fans for good behaviour or academic performance, or as an incentive for completing chores like tidying their room.

BE WARY OF SCAMS

The immense popularity of Fortnite with younger audiences – that are generally more trusting – means there's no shortage of scammers looking to fraudulently obtain passwords and other personal data through techniques like phishing. As the developers point out on many of Fortnite's loading screens, they never ask for a player's account password outside of the game: make sure any young player knows this.

ENJOY FORTNITE TOGETHER

Fortnite also offers split-screen gameplay, meaning that two people can play simultaneously on the same console or computer. This can be a good option for siblings or for when a child's friends visit, but it also offers an opportunity for parents and carers to do something fun with their child, while also making sure they're playing the game safely. Who knows? You might even teach them a thing or two!

Meet Our Expert

Lloyd Coombes is Editor in Chief of gaming and esports site GGRecon and has worked in the gaming media for around four years. A long-time gamer, he is also a parent and therefore a keen advocate of online safety. Writing mainly about tech and fitness, his articles have been published on influential sites including IGN and TechRadar.

#WakeUpWednesday

The National College

Learn Times Tables the Easy Way!

REMEMBER:
Times tables are **commutative**
e.g. $3 \times 4 = 12$ and $4 \times 3 = 12$

WHICH MEANS

You only need to learn **78**
out of **144** times tables!

1
Times Table

The multiplier is the same as the product

$1 \times 1 = 1$
 $2 \times 1 = 2$
 $3 \times 1 = 3$
 $4 \times 1 = 4$
 $5 \times 1 = 5$
 $6 \times 1 = 6$
 $7 \times 1 = 7$
 $8 \times 1 = 8$
 $9 \times 1 = 9$
 $10 \times 1 = 10$
 $11 \times 1 = 11$
 $12 \times 1 = 12$

12
Tables to Learn

2
Times Table

Double the multiplier

$2 \times 2 = 4$
 $3 \times 2 = 6$
 $4 \times 2 = 8$
 $5 \times 2 = 10$
 $6 \times 2 = 12$
 $7 \times 2 = 14$
 $8 \times 2 = 16$
 $9 \times 2 = 18$
 $10 \times 2 = 20$
 $11 \times 2 = 22$
 $12 \times 2 = 24$

11
Tables to Learn

5
Times Table

Times multiplier by 10 then half the product

$3 \times 5 = 15$
 $4 \times 5 = 20$
 $5 \times 5 = 25$
 $6 \times 5 = 30$
 $7 \times 5 = 35$
 $8 \times 5 = 40$
 $9 \times 5 = 45$
 $10 \times 5 = 50$
 $11 \times 5 = 55$
 $12 \times 5 = 60$

10
Tables to Learn

10
Times Table

Every product ends with a zero

$3 \times 10 = 30$
 $4 \times 10 = 40$
 $6 \times 10 = 60$
 $7 \times 10 = 70$
 $8 \times 10 = 80$
 $9 \times 10 = 90$
 $10 \times 10 = 100$
 $11 \times 10 = 110$
 $12 \times 10 = 120$

9
Tables to Learn

3
Times Table

Double the multiplier then add the multiplier

$3 \times 3 = 9$
 $4 \times 3 = 12$
 $6 \times 3 = 18$
 $7 \times 3 = 21$
 $8 \times 3 = 24$
 $9 \times 3 = 27$
 $11 \times 3 = 33$
 $12 \times 3 = 36$

8
Tables to Learn

4
Times Table

Double the multiplier then double again

$4 \times 4 = 16$
 $6 \times 4 = 24$
 $7 \times 4 = 28$
 $8 \times 4 = 32$
 $9 \times 4 = 36$
 $11 \times 4 = 44$
 $12 \times 4 = 48$

7
Tables to Learn

8
Times Table

Times multiplier by 4 then double it

$6 \times 8 = 48$
 $7 \times 8 = 56$
 $8 \times 8 = 64$
 $9 \times 8 = 72$
 $11 \times 8 = 88$
 $12 \times 8 = 96$

6
Tables to Learn

6
Times Table

Times multiplier by 3 then double it

$6 \times 6 = 36$
 $7 \times 6 = 42$
 $9 \times 6 = 54$
 $11 \times 6 = 66$
 $12 \times 6 = 72$

5
Tables to Learn

9
Times Table

Times 9 by 10 then minus the multiplier

$7 \times 9 = 63$
 $9 \times 9 = 81$
 $11 \times 9 = 99$
 $12 \times 9 = 108$

4
Tables to Learn

7
Times Table

Times 7 by 6 then add the multiplier

$7 \times 7 = 49$
 $11 \times 7 = 77$
 $12 \times 7 = 84$

3
Tables to Learn

11
Times Table

Times 11 by 10 then add the multiplier

$11 \times 11 = 121$
 $12 \times 11 = 132$

2
Tables to Learn

12
Times Table

Times 12 by 6 then double

$12 \times 12 = 144$

1
Table to Learn

MULTIPLIER **PRODUCT**

$3 \times 4 = 12$

HANDY TIP:
even x even = even
even x odd = even
odd x odd = odd

Hillside Primary School and Nursery

“Achieving Greatness Together”

Friday 8th November 2024

Outdoor learning at Hillside Primary!

We highly value the benefits of the outdoor environment to enhance learning, mental health and wellbeing, and develop environmental awareness. We are keen to extend our outdoor learning opportunities.

Here are some recent updates in EYFS, outdoor learning area on the KS2 field and our new outdoor learning classroom.

Hillside Primary School and Nursery

“Achieving Greatness Together”

Friday 8th November 2024

Talking Money at Hillside

talk
money.
week

Did you know?

A 2013 study from Cambridge University indicated that **financial habits are formed by the age of seven**. The research suggests that children have often formed core behaviours by the age of seven which they will take into adulthood and could affect financial decisions for the rest of their lives.

This week children across the school learnt about the importance of money in different contexts for the different ages. Children were highly engaged in real life discussions of money and how it affects them. In EYFS children were in role playing shops, exchanging money for goods. All children learnt about clever financial decisions as well as how money can make us feel. In years 5 and 6 children learnt about budgeting, bank accounts and saving. A fantastic and engaging day of money math lessons!

Why good attendance and punctuality matter?

High attainment depends on good attendance. Have you logged into to the Arbor app to check your child's attendance? If their attendance is 98% or above we refer to this as 'excellent' and gold level. Between 95% and 97.9% is 'green' - which is a good level attendance. If attendance is below 95% then this is a concern, as this is below the national level. Below 90% is a serious concern and a 'red' level.

Click on this link and learn how to find out your child's latest attendance figure.

<https://support.arbor-education.com/hc/en-us/articles/203856191-Attendance-on-the-ParentPortal-and-Parent->

We have recently noticed an increase in the number of children arriving late to school. Please refer to page 8 and 9.

PUNCTUALITY

IF ANY OF THESE SOUND FAMILIAR THEN IT'S TIME TO FIX YOUR TIMEKEEPING!

My alarm clock exploded and I slept through it.

I was abducted by aliens - look I've got a note to prove it!

I'm fairly sure school starts at 10:00 - maybe I'm early?

The bus driver got off at the stop before mine.

5 minutes late per day,
every day of the week adds up to 3 days of lost school time.

10 minutes
=
6.5 days
lost per
school
year

15 minutes
=
10 days
lost per
school
year

20 minutes
=
13 days
lost per
school
year

30 minutes
=
19 days
lost per
school
year

WHAT TO DO THE NIGHT BEFORE

- Get everything you need for school ready.
- Set your alarm with plenty of time to spare.
- If you bring your lunch to school - make it now.
- Turn off electronic devices 30mins before sleep.
- If you use your phone before bed download a blue light filter app to look after your eyes.
- Remember that people aged 11 - 16 need 8 - 10 hours of sleep!

WHAT TO DO IN THE MORNING

- Get out of bed as soon as your alarm goes off.
- Have a shower first thing - it will wake you up!
- Have a nutritional, but quick, breakfast. Fruit, toast and healthy cereals are perfect and will give you enough energy to last to lunch time.
- Keep an eye on the clock and don't waste time.
- If you wait for friends, don't wait if they are late.
- If you're late - don't make excuses - we've heard them all before and honesty works much better!

Success really does start with attendance

We support first!

We want every single one of our children to be an

Attendance Hero:

**Here
Everyday
Ready
On time**

Target 96%

Every day counts!

2M 98.21%, 4G 97.16%, 5C2 96.12%, 5C1 95.97%, 4C 95%, 1A 94.57%, 1D 94.57%, 4T 94.57%, 2D 93.53%, R1 92.86%, R2 92.72%, 3B 92.08%, 6H 90.83%, 3R 90.63%, 6C 87.95

If your child is not well enough to attend school please report this by phoning the Office on 01473 601402 option 1 from 7.30am. We MUST receive this information by 8.45am

Please support us in reducing the number of school days lost.

A day off school means a day where learning is lost.

Education & Skills

Cashpot for Schools is our mission to support primary schools across the UK.

Every time you shop with Asda Rewards from 2nd September to 30th November, we will donate 0.5% of your total spend to a primary school of your choice. Plus, Asda will pop £1 into your school's Cashpot every time someone opts in.

Even more, Asda will get your school started with a further £50. To redeem this, make sure to shop & scan and remind your school to sign up with Parentkind.

For more info, please see our **Terms & Conditions**.

You won't give up any of your own earnings, and your Cashpot will continue to grow! **Shop. Scan. We donate!**
