

Prezados encarregados de educação da comunidade Hillside,

Enriquecimento, enriquecimento, enriquecimento!

Na semana passada, várias crianças do 6º ano participaram de uma excursão residencial para Hilltop, em Norfolk. O lema delas é "Desafio por Escolha". Todas as crianças do 6º ano demonstraram resiliência e determinação ao dominar novas experiências, incluindo: arvorismo, escalada e exploração de cavernas, tarefas em equipe, arco e flecha e o grande zíper. Foi uma excursão verdadeiramente maravilhosa e foi incrível ver as crianças se desenvolverem em nossos valores de "Seja Gentil, Seja Corajoso e Esteja Seguro" ao longo das atividades. A diferença nessas áreas desde o início da excursão foi inspiradora e estamos muito orgulhosos das crianças! Que oportunidade fantástica de aprendizagem para elas, e foi um verdadeiro prazer para a equipe participar disso.

Semana de Carreiras – Esta semana, realizamos diversos eventos para promover carreiras e aspirações. Consulte a página 2.

Nossos passeios à praia começaram e continuarão na próxima semana.

Desejos de um ótimo fim de semana.

Litte City – Carreiras na Reception

KS2 feira de Carreira

Hoje, os alunos do 5º ano estão a participar de uma feira de carreiras na Escola Chantry. A Chantry também faz parte do Active Learning Trust.

Lago Needham 2025
Na Sexta-feira, dia 4, o 1º ano foi de comboio para o lago Needham. Nos divertimos muito a explorar o lago e todas as atividades.

Residential Hilltop 2025

As crianças do 6º ano que não participaram da excursão residencial também tiveram dias incríveis. A Sra. Scarlett lançou o desafio de projetar e construir uma pista de obstáculos para ajudar as crianças da Nursery a desenvolver suas habilidades motoras grossas, e as crianças do 6º ano não decepcionaram! Elas não apenas criaram a pista de obstáculos, como também ajudaram as crianças da Nursery a concluí-la e distribuíram adesivos correspondentes. Encerraram a sessão com jogos de paraquedas. Foi incrível ver as crianças mais velhas da escola sendo exemplos tão brilhantes para as crianças mais novas!

Unhealthy friendships

Your children's friends may not all have good intentions.
If your child is in an unhealthy friendship, they may be manipulated, taken advantage of, or made to do something they don't want to do.

If your child was at risk, would you spot the signs?

Young people are often unaware they are in an unhealthy or unsafe friendship. Parents are unlikely to be aware of what is happening.

Possible signs a young person is in an unhealthy friendship:

-  Sudden behaviour changes such as becoming secretive, defensive, insecure or self-conscious
-  A new friendship group, or withdrawing from family, old friends, hobbies or interests
-  Unexplained fear of specific people or places
-  Becoming anxious after receiving text messages or calls
-  Unexplained injuries, marks or bruises
-  Expressing fear about the way a person may react to a certain situation
-  Changes in spending habits or financial situation
-  Trying to excuse another person's behaviour

Unhealthy friendships can take many different forms and behaviours are not always physical

Emotional abuse: degrading, humiliating, criticising, name calling, applying peer pressure – this can impact your child's self-confidence

Isolation: being kept away from healthy friendships, family, or other support – this can make your child feel they depend on the person harming them

Threats: threatening, scaring, hurting or manipulating – this can help to gain power or control over your child

What to do if you're worried about your child or a child you know

Remember, you're not to blame.
And your child may be vulnerable or scared.

Talk to your child

Let them know they can talk to you about anything. Ask them questions about what's going on, tell them that you want to help them and keep them safe.

Try to get them to see the reality of their situation. Be open, honest and non-judgemental; remember they may be scared.

Gather evidence

Consider gathering evidence if a crime might have been committed against your child. For example, save messages they have received that show the concerning behaviour, or take photos or videos of injuries caused by someone you think is harming your child.

Get help and support

Talk to your child's school or another professional – see useful contacts below.

When to tell the Police

If your child stays away from home, you should report them as missing to the Police immediately. If you are worried about your child's safety, report these fears to the Police or your child's school.
