

Bus Application form 2 (Subsidised Metro Card) 2020/21

If you would prefer to use public transport, you may qualify for a subsidised metro card. We use your college registered home address to assess if;

1. It is over 3 miles away from the college and
2. Not on a specified college bus route (home address to be over 1 mile away from the bus stop)

To apply, please complete this form and bring it to your enrolment interview. If you wish to apply after your enrolment appointment, please follow this guidance and visit the Student Helpdesk in the LRC. Your application will be assessed and the Finance Team will contact you to inform you if you have been successful. If you are successful, the subsidy will be paid directly into the specified bank account below. The bank account details must be for the student as subsidies can only be paid to students, not to parents, carers or relatives.

The subsidy is £18.90 per month from September to June inclusively whilst you are a current student of the College.

Monthly or weekly passes are available for public buses from any bus station travel centre. Current prices are £37.80 per month or £10.30 per week. These are for any student under the age of 19 and can be used at any time during the week with a 16-18 Photocard.

Please visit the Metro website: wymetro.com or visit Huddersfield Bus station to obtain a 16-18 Photocard. Once students have their 16-18 Photocard, you will need to purchase a Under 19's Monthly bus ticket from any bus station travel centre.

The deadline for applications is Friday 2nd October 2020
