

## A HUGE THANK YOU TO THE HNC COMMUNITY

A huge thank you to all of our students and staff who supported our collection for the foodbank at The Welcome Centre.

Two large car loads were delivered yesterday by the Early Years team who hosted the collection - our largest yet! Pictured to the right are some of the students helping to load the car. The Welcome Centre supports some of the most vulnerable families in Huddersfield, and your donations will be given to families in need over the festive period.

The Welcome Centre said: "Thank you for your donation! This time of year is challenging for many of our clients. We hope you have a Happy Christmas and thank you for all your support."

## STAYING WELL THIS WINTER

At this time of year coughs, colds, bugs and viruses are more common. It is very important that you look after yourself as time away from College has an impact on both your learning and success.

You can reduce the risk by eating well, dressing for the weather and washing your hands thoroughly. Please remember bottled alcohol gel hand wash DOES NOT kill all bugs. If you do get ill, please stay at home until you feel better. For some types of bugs it is recommended to stay at home two days. Remember to phone the absence line or use the app to let us know why you are absent. Staff can also email work to ensure you don't fall behind.
