

## LOVE HAS NO LABELS - JOIN US IN THE DINING AREA TODAY

Love Has No Labels is a movement to promote acceptance and inclusion of all people across race, religion, gender, sexual orientation, age and ability. Love Has No Labels believe love is the most powerful force to overcome bias, and as the Number 1 Organisation in the UK for Equality and Diversity, this is something we passionately believe in too!

As part of our celebrations for LGBT History Month we're inviting you to reflect how love really does have no labels by joining us in the Dining Area from 12.15pm today (Thursday 13<sup>th</sup> February) to write on one of our paper hearts and then hang it on our tree of kindness. The hearts are an opportunity for you to share more about someone you love and why.

You can read more about LGBT History Month here: <https://lgbtplushistorymonth.co.uk/> and you can also speak to our Staff and Student Diversity Team to discover more about our work as a College and our LGBT support group!
