Increased Security at HNC

To support a safe and secure College environment additional badge readers have been installed at a number of points, including on the doors leading off Reception. There is also no student access to the LRC via the SLT corridor - please access the LRC via the Dining Area. This additional security is an important part of keeping you safe at College. Please remember to wear your lanyard at all times to ensure you can navigate College easily and reach your lessons on time.

End of term
Please note that Year 12 teaching formally finishes on Friday 28th June, which means that all students will finish College on this date.

Lockdown Alarm Practice

On Wednesday 26th June we will be running a routine lockdown alarm practice to help make you aware of our lockdown procedure.

This is nothing to worry about and it will only last a couple of minutes. Staff will provide further information about this to you.
