

ARE YOU CURRENTLY A LEVEL 1 OR LEVEL 2 STUDENT?

If you are a current Level 1 or Level 2 student next week we'll be helping you to plan for your next steps!

On Monday 18th November you will join a special presentation explaining the process before joining the Progression Fair. Here you will have an opportunity to meet with and talk to staff and students from a range of curriculum areas; this will help you to make choices about the courses and qualifications that you would like to apply for here at HNC.

COMING UP IN TUTORIAL

It's a busy week for tutorial next week. All students will be taking a look at how to enhance their safety on the road, including exploring why using a mobile at the wheel is so dangerous and the penalties for doing so. Paramedics who have dealt with road traffic incidents will share their experiences and driving tips to help you stay safe on the roads.

All students will also take part in voting for our new Charity of the Year- look out for our shortlist which will be revealed next week!

In addition to all of this, Level 1 and 2 students will be completing progression plans, whilst Year 12 students will be exploring the truth about addiction and the dangers of misuse.

Our Year 13 students will be continuing to be supported with UCAS applications. If you are not intending on pursuing the university route, we will be helping you with your skills statement.

DIVERSITY WEEK - RESPECT COMPETITION

Tomorrow is the final day of our Equality and Diversity Week and the launch of our Respect competition. You are invited to create a paragraph completing the following sentences:

- Everyone at HNC feels respected because...

Or

- There's a fine line between banter and bullying because...

Three winning entries will be selected and rewarded with a £10 Love 2 Shop voucher each. These will also be published anonymously on our website.

To enter, simply send your paragraph to e.montgomery@huddnewcoll.ac.uk by Friday 22nd November.

Diversity Week: a thank you

Thank you to all students who have taken part in this week's activities. We hope you enjoyed Toby the therapy dog's visit
