WEEKLY NEWS BITES

LOVE YOUR PLANET

As a student at HNC we ask you to sign up to our Green Pledge. This reflects your commitment to taking a few small achievable steps to help play your part in tackling the climate change crisis.

As a College we are looking at ways we can help the environment, and there are lots of exciting plans coming up including a new tree planting scheme and looking at ways our provision can be greener, including the use of compostable cutlery. We know there is lots to do, and we are putting lots of plans in place.

One of the pledges asks you to enjoy a meat free day. Meat production has a major impact on the environment. Many of you are trying veganary and staying meat free this January, but if you aren't why not try to be meat free for just one day a week? There are some fantastic meat free options available.

Sign the pledge here: https://vle.huddnewcoll.ac.uk/course/view.php?id=69&section=24

COMING UP IN TUTORIAL

Congratulations to all students who have successfully submitted their UCAS applications!

Tutorial will return to a regular programme of activity, and next week all students will be taking a look at managing anger. We'll be helping students studying A Levels to gear up for the forthcoming final exams with further revision support, and if you are not preparing for exams, we'll be supporting you with your progression plans, producing a statement of skills and your Individual Learning Plans.

@huddnewcoll

JUST PASSED YOUR TEST?

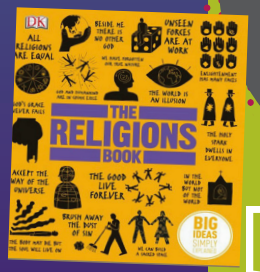
Lots of students are currently celebrating passing their driving test. Please remember that you MUST have a College parking permit to park in the College carpark. You also require a barrier access card.

To park your car you need to visit the LRC and complete a form and leave a £20 deposit.

Please also ensure you park considerately in the spaces provided, observe the 10 mph speed limit and be conscious of other vehicles that are parked.

POETRY BY HEART

Poetry by Heart is an exciting national competition which to put it simply, is about getting you to enjoy a piece of poetry. Taking part is a great experience, and we will be launching full details of how you can be involved next week!



This week's Book of the Week is The Religions Book. Sunday is World Religion Day and this book is a great insight into the fascinating religions around the world!

Spotted an IT issue?

Please help us to keep the IT systems running smoothly for you by logging any problems via Cedar. Simply add a Cedar Ticket via your Cedar area

FREE Archery

We have a small number of FREE places left for our Archery taster. Email p.lombard@huddnewcoll.ac.uk

Policing Degree Apprenticeship

The deadline for degree level apprenticeships with the Police is Monday 20th. See Careers for support with your application
