

## FREE MICROSOFT OFFICE

Don't forget that as a student you can access Microsoft Office for FREE!

You can download programmes such as Word, Excel and PowerPoint on up to five devices completely for FREE.

All you need to do is log in to Office365 on your chosen device and click 'Install Office' via the tab at the top of the page.

This is a great way to support your independent learning and of course save money!

 @huddnewcoll

## ASPIRE LECTURE SERIES - GET READY

Aspire is our programme for students who have the academic potential to secure places at world leading universities. If you are part of the programme, our exciting lecture series helps you to hear from renowned speakers and expand your horizons by giving you the chance to hear from a variety of speakers.

The current blended timetable means the programme is working slightly different at the moment during our first term, and the sessions will be delivered during a Monday lunch every two weeks (12.15-1pm) via MS Teams. Whilst you don't need to access it during lunch, you are expected to have viewed it by the end of the week. All Aspire students will receive details to their College email address.

Whilst our delivery is a little different than planned, you will still experience the same fantastic topics and speakers. Week one will share more about what you can expect, and the first formal virtual lecture will be on Monday 5th October on the topic of 'Music as an expression of race and resistance' with Emily Briggs.

Naturally we hope that when it is safe to do so we will be able to host these in our onsite Lecture Theatre.

## COLLEGE CLOSED MONDAY 21<sup>st</sup> SEPT

Don't forget the College is closed to students on Monday 21st September as this is a Staff Training Day. This means that Campus is not open, and lessons will not be taking place.

## ENRICHMENT

The current pandemic means that we are reviewing your enrichment offer to ensure we can offer this in line with government guidance and provide your opportunities safely. This year we will be running a virtual Welcome to Your HNC event which will share more about what you can sign up for, along with a range of offers - look out for further details coming soon.

## WIN! SEND A MESSAGE FOR OUR TREE OF GRATITUDE

Don't forget we are inviting you to submit a leaf for our virtual Tree of Gratitude. Email news@huddnewcoll.ac.uk and complete the following sentence:

- Year 13: 'I'm glad to be back because...'
  - Year 12: 'The thing I'm most looking forward to about my new life at College is...'
- All entries will be placed in a prize draw to win one of two £20 Amazon vouchers

## Work experience

We have some fantastic virtual work experience opportunities available including with leading accountancy firm Grant Thornton. These types of opportunities can help you to stand out from the crowd. Email Helen Ward (h.ward@huddnewcoll.ac.uk) for details

## Staying Safe Together

Thank you for supporting our Covid 19 secure measures. Please continue to see the Principal's Daily Bulletin for key updates
