

WEEKLY NEWS BITES

NO PLACE FOR HATE

Here at HNC we are proud of our status as the number one organisation in the UK for Equality and Diversity. This week is National Hate Crime Awareness Week and during this week we would like to remind all students of the importance of speaking out if you see any incident of a hate crime within College. The posters around College highlight who you can speak to if you have any concerns.

The www.stophateuk.org website also has lots of useful resources and information about how you can get involved and report a hate crime outside of College too.
