

HEAR WHAT THE POLITICAL PARTIES ARE OFFERING YOU

On 12th December the UK will hold a General Election. Politics governs every aspect of our lives and the vote of the people could change the Government. On Thursday 28th November we will be hosting a hustings event which gives you the chance to hear from all the major political party candidates for the Colne Valley.

What are the parties promising young people? Have you ever wanted to ask a party why they have a particular stance, or have you ever wanted to ask why they don't do more about an issue? Perhaps you feel you don't know enough about a party to decide who should get your vote in the future - this is your chance to develop your knowledge and have your say. Questions are welcome!

This is a live interactive event which will take place during lunch next Thursday 28th November. Places must be reserved, and can be via s.townshend@huddnewcoll.ac.uk

COMING UP IN TUTORIAL

Next week we will be asking you to vote for your chosen Charity of the Year! This is the collective choice of our students and allows our 2400 strong College community to make an impact for our chosen charity together.

There's lots of opportunities for you too beyond making a difference to others, from growing your skills by hosting fundraising events and gaining your Events Management qualification to unique volunteering opportunities.

 @huddnewcoll

BEING A GREENER COLLEGE AND A RESPONSIBLE CITIZEN

As students you will be aware of the impact of climate change. If we don't take action, it is estimated that the effects of climate change will become irreversible by 2030, with devastating consequences.

HNC wants to take action as a College, and help you to play your part too. It may seem overwhelming, but small simple steps taken by us all - such as committing to a meat free day and becoming more aware consumers - will have a huge impact. We'll be asking you to commit to five environmental pledges and helping you to meet these.

We're doing lots as a College too and to help you be more responsible, greener citizens. Look out for more details next week!

Voting deadline

The deadline for registering to vote is midnight on 26th November. Use your voice! Register at: www.gov.uk/register-to-vote

Year 11 Open Event

Our next Open Event for students in Year 11 is Saturday 23rd November

Respect Competition

Don't forget that tomorrow (Friday 22nd November) is the closing date for our Respect competition. Email entries to e.montgomery@huddnewcoll.ac.uk
