

IMPORTANT INFORMATION ABOUT COLLEGE SYSTEMS

Cedar log ins - the same as the one you use for College PCs

Please note that your log in for Cedar is the same as your log in for College PCs. The password and username issued to you prior to your first day at College so that you could download your timetable is no longer valid. To access Cedar you will use the same log in you use to get on to College PCs and the wifi. This is to ensure that logging in to College systems is as simple as possible for you!

Wisepay - download your app

Wisepay is our online payment system that lets you send payments to College quickly and easily. Wisepay now has an app that speeds up this process. You can download this from the app store or via the link provided when you log in to Wisepay. The first time that you use the app you will need to enter our unique provider code which is 56899837. Your log in details are exactly the same as the ones you currently use.

COLLEGE CLOSURE NEXT THURSDAY

Please remember that College is closed to students next Thursday 27th September due to a Staff Training Day.

.....
Coming up: Next Friday 28th September is our Freshers' Fair and launch of our Enrichment programme!

COMING UP IN TUTORIAL NEXT WEEK

Next week in tutorial we will be looking at enrichment, and providing a flavour of the vast range of enrichment activities you can choose from over the next year.

We will also be demonstrating our brand new Moodle area where you can access full listings of the huge range of activities on offer.

Enrichment offers so many benefits from helping you to stand out from the crowd to making new friends and a difference to others. You will also of course be able to explore new interests. What will you choose?
