

YEAR 11 OPEN EVENT AND END OF TERM

This evening (Thursday 24th October) is our Open Event for students who are in Year 11 and may be considering applying to HNC. If you know someone in Year 11, please encourage them to join us from 5.30pm.

A huge thank you to all students who are helping at this evening's event.

Tomorrow (Friday 25th October) is the last day of term. We hope that you have a restful break and we look forward to seeing you on our return, Monday 4th November.

DO YOU SPOKE OR VAPE?

This is a polite reminder that smoking or vaping is only permitted in the designated smoking area at the rear of the carpark.

If you do vape, please note that you must follow the College's Smoking Policy which specifies how smoking or vaping is only allowed in the designated smoking area. This is therefore a polite reminder that you **should not be vaping or smoking anywhere else on College grounds, including in the outside areas.**

When you enter employment you will be required to follow your employer's policies, and our policies are designed to help you prepare for this and ensure a pleasant environment for all students and staff.

 @huddnewcoll

MEET THE PROFESSIONALS

Here at HNC you can access a range of careers based support designed to inspire your future career options and give you the edge when applying for university or jobs in a competitive market.

We have a series of new opportunities coming up with visiting professionals. Pop along to find out more about the careers on offer in these sectors, hear from those working in the field and gain some interview based experience. Events include:

- Interested in a career in business, accountancy or technology? Hear from the world-leading professional services firm PwC on Thursday 7th November 9am - 10.15am
- Book a mini interview with RAF Squadron Leader Jim Tait on Monday 11th November
- Find out about opportunities with Lloyds Banking Group on Monday 18th November

To find out more visit Careers or email ben@huddnewcoll.ac.uk

Air Cabin Crew trip

Our Travel and Tourism department is running a College wide Air Cabin Crew training trip which will see you flying to London! Email a.beirne@huddnewcoll.ac.uk for details
