

BLACK HISTORY MONTH COMPETITION

This month it is Black History Month, the annual celebration of the history, achievements and contributions of black people in the UK. We are hosting a competition and asking you to submit 50 - 100 words about:

- An individual from a BAME background who has inspired your education or life OR
- Why living in a multi-cultural society enriches your education or life

Email your entry to e.montgomery@huddnewcoll.ac.uk by Friday 19th October to take part. The three winning entries will each receive a £10 'Love to Shop' voucher.

UPCOMING ROADWORKS - NC2

From 21st October there will be roadworks and temporary traffic lights on Halifax Road in Brighouse. This may cause delays to the NC2 service, particularly at the Brighouse stops. Please remember to ensure you have the HNC App installed so that we can send you notifications as we receive them from our providers.

NEW LISTENING LUNCH

Our new Listening Lunch runs every Wednesday 12.30 – 1.00pm in room 933 (within Health and Social Care)

For students, by students, this service is hosted by our team of trained Student Wellbeing Champions. You can pop in for a general chat or to speak to them about any worries or concerns you have.

This is a confidential service (but as always, if you disclose anything that raises concerns for your wellbeing, this has to be passed to a member of the Safeguarding Team). This is in addition to our standard services, and is ideal if you'd prefer to speak to a peer rather than a member of staff.

All are welcome, simply drop in for a chat!
