

HAVE YOUR SAY: HNC MOCK ELECTION

Tomorrow (Thursday 5th December) we are asking you to take part in our mock election. Voting is a key way that you can use your voice and have your say on the issues that affect you.

Here at HNC we work to help you understand why voting is so important, and why it gives you a voice on everything from tax and healthcare to student finance and how our country should be run.

Our mock election will let you experience how voting works. Your lanyard will act as your polling card, and you can visit the mobile unit (to the rear of Costa) to cast your vote. Politics students will be lobbying for your political vote throughout the day, and our hustings event may have also influenced your own political viewpoint.

Visit the polling station to have your say- will your vote reflect the decision of the nation on 12th December?

COMING UP IN TUTORIAL

Next week we will be exploring some of the social issues around use of foodbanks, and encouraging you to donate to our collections for the Welcome Centre and The Salvation Army. Year 13 students will be continuing with UCAS applications.

Our foodbank collection is an ideal way to join our Big Green Christmas too! Instead of buying secret santa gifts, why not purchase some foodbank items and help a family in need and the environment this festive season?

 @huddnewcoll

A BIG GREEN CHRISTMAS

Last week we launched the HNC Green Pledge. There are lots of small but effective steps you can take to make a difference. As a College we are working to be greener too and play our part in tackling climate change.

Our first pledge asks you to consider how you can enjoy a Big Green Christmas without any impact on the festivities.

Over 1 billion Christmas cards are sent to landfill in the UK alone, and sending just one of these creates 140g CO₂e each with production and transport.

You could send your festive wishes cheaply and easily via social media - perhaps donating all the money you have saved to a green charity or even a Christmas foodbank. There's some great eCards available on the internet!

Online Student Welfare appointments

We are trialling appointments for Student Welfare via Moodle - just select the Student Welfare tab to book. You can also continue to email for an appointment if you prefer

Xmas Jumper Day

Staff will be wearing Christmas jumpers on Friday 13th December - please donate to our collection and feel free to join the fun!

NC shuttle buses

Don't forget that the NC shuttle buses now depart from the College bus bays at 4.30pm NOT New Hey Road
