## WORLD MENTAL HEALTH DAY

World Mental Health Day takes place on Wednesday 10<sup>th</sup> October and as a College we want to ensure all of our students stay happy and healthy - both physically and mentally.

Did you know that half of mental illnesses begin at age 14 and that suicide is the second leading cause of death amongst 15 - 29 year olds? Look out for information on the screens about how we will be taking part, and remember our Student Welfare service is here to help.

## KNOW SOMEONE IN YEAR 11?
