

ENHANCE YOUR SKILLS AND BE IN WITH A CHANCE OF WINNING A TRIP TO LONDON!

HNC will soon be participating in the national Poetry by Heart competition. As the name suggests, you'll choose a piece of poetry and recite this from memory.

It is not only a fantastic way to enjoy exploring some of the inspiring poetry around us, but also a great way to develop your memory skills - supporting you with your exams and wider studies. If you study Performing Arts for example, it will offer you the chance to pick up some techniques that will help you learn scripts now and in the future.

The competition is internationally renowned and it is great for UCAS statements. Former student Jennie O'Sullivan will be visiting HNC to talk about her experience of reaching the final stages of the competition and how this supported her to gain a place at University of Cambridge. Those who progress also get an all expenses paid trip to London for the next round in the heats!

The experience is a great way to boost your confidence too, and full support is provided. Simply click here <https://tinyurl.com/rcha2uc> to find out more with no obligation to take part.

This is a fantastic experience. Why not try something that will genuinely help you in the future?

COMING UP IN TUTORIAL

Next week in tutorial our Awareness Week will look at volunteering and the difference that this can make to your skills and future. We'll also be looking at the types of opportunities available to you.

Our Level 2 and Year 12 students will be working on VESPA targets, and discussing progress towards these. Year 13 students will be taking a look at the forms sexual harassment can take, and what you can do if you feel you are experiencing any issues.
