

# WEEKLY NEWS BITES

## Get Ready for Your Future on Tuesday 18th June

Our annual 'Get Ready: Preparing for Your Future' progression conference takes place on Tuesday 18<sup>th</sup> June. Here you can choose from a huge range of informative and inspiring workshops and visit a special exhibition. The day is your chance to explore the full range of university and employment options available to you after HNC.

Places at the workshops are by booking only and the full list available is on Moodle. Some workshops fill up very quickly, and we advise you book your place(s) as soon as possible to avoid disappointment.

## Keep you safe at College

As part of keeping staff and students safe we are increasing the number of doors with badge swipe access. More information will follow regarding this.

## Do You Know Someone in Year 10?

On Wednesday 3<sup>rd</sup> July we will be hosting our first ever Open Event for students in Year 10.

Our 'First Step to HNC' event is designed to help Year 10 students get ready for making their sixth form decisions in Year 11. It will run from 5pm until 7pm on 3<sup>rd</sup> July.

If you know someone in Year 10, why not tell them about it? Full details are on our website.

## Congratulations to our 100% Attendance Prize Draw Winners

On the last day of term we recognised students with 100% attendance. Those with 100% attendance across three or four years were automatically awarded a cheque (a group of them are pictured to the right).

Students who had 100% attendance across one or two years were entered into two prize draws, with prizes of £100 and £150 respectively. All students who were entered but didn't win have been awarded a high street voucher (posted to their home address).

Well done to the hundreds of students eligible for our 100% attendance celebrations - a fantastic achievement!
