EVERY MIND MATTERS - HOW ARE YOU FEELING?

Here at HNC we are supporting the Every Mind Matters national campaign with our own Every Mind Matters @ HNC programme.

How are you feeling? Looking after our mental well-being is crucial, especially during these challenging times. We're encouraging everyone to take the NHS 'Get Your Mind Plan' quiz. This asks a few simple questions to help identify how you feel, and signposts you to sources of help and advice: www.nhs.uk/oneyou/every-mind-matters/your-mind-plan-quiz/

HELLOYELLOW: COMPETITION

Don't forget that as part of our World Mental Health Day celebrations we're inviting you to share your top tips for looking after your mental health.

We're joining Young Minds for the #HelloYellow campaign - this encourages everyone to do one small thing for their mental health and wear something yellow to help celebrate the importance of this.

Don't forget you could win a £20 voucher by tweeting a picture of yourself wearing something yellow or sending this and your well-being tip to e.fisher@huddnewcoll.ac.uk or e.bolton@huddnewcoll.ac.uk
