

A GREENER HNC

Here at HNC we are working towards being a green College. Our focus is on small, realistic changes that collectively make a big difference. Two years ago we launched our Green Pledge, and our Green Week next week will relaunch this, along with a range of activities as follows:

All week: Carbon Footprint Competition. Screenshot your carbon footprint calculator results from the WWF and share one way you are reducing this and email us at news@huddnewcoll.ac.uk for a chance to win one of five Chilly bottles. See Moodle for the link to the calculator

- Monday & Tuesday: refresh (or sign) the Green Pledge! Our Head Student team and Wildlife Champions will be in the Dining Area to share more
- Tuesday: Wildlife Champions social media takeover. Our champions will be sharing their top tips for reducing your carbon footprint
- Wednesday: Meat Free Wednesday. A vegetarian diet means 2.5 less carbon emissions than a meat diet. Why not try a veggie dish today?
- Thursday: focus on the future. Today we'll be looking at making a difference in the longer term, and ideas for simple lifestyle changes that will help

Friday: competition winners announced

WIN ME! SEE ABOVE

INTERESTED IN WRITING OR JOURNALISM?

Today (Thursday 25th) we have Yorkshire Post Journalist Ismail joining us to share more about his media career, and his wider work in PR and creative writing.

Although this has been arranged for our HNC Echo enrichment group, all are welcome to come along to hear more and ask questions. It is a genuinely valuable opportunity to hear from an industry specialist!

The session takes place in room 303 (Business floor) from 12.20pm.

Please note there is no obligation to join the HNC Echo group, but if this is something of interest, it's not too late to register!

MEMBERSHIP BADGES

Wearing your membership badge at all times is a requirement and is key to ensuring we can keep Campus safe. We recommend keeping it in a place that means you don't forget it in the morning too - this avoids you having to queue for a temporary badge. Thank you for your support.

OVER 8000 BOOKS & JOURNALS AT YOUR FINGERTIPS

Did you know that you can access any book, journal or resource we have in our online library?

This library catalogue provides access to around 8000 titles, all relevant to your studies and it is a fantastic resource. You can also access fiction titles. It is really easy to use. Simply insert a search term to be shown all resources linked to that, or search by specific title or author. You can access this at home, or within College. Scan the QR code below to explore the catalogue now!

EQUALITY & DIVERSITY WEEK: A THANK YOU

A huge thank you to everyone who made our first Equality & Diversity week of this academic year such a success.

We are currently calculating the fundraising total for our Charities of the Year, and we will share this soon.

KNOW SOMEONE IN YEAR 11?
Please let them know our FINAL Open Event is happening on Weds 1 Dec!

CUTEST PET COMP
Well done to our winners!
Please see Twitter for full details
