

LEAVERS CELEBRATIONS

We are currently planning celebrations for our departing students, and we are delighted to share more about two of these - hoodies and your yearbook!

Hoodies are now on sale. We subsidise these so they are priced at just £10. This year these are available to order directly from our printers. Please note these will be produced as one batch and delivered into College, and be available for collection in early May. You can order these here: <https://tinyurl.com/yhjxtxg3>

Your Class of 2021 yearbook. We will be producing a special unofficial yearbook for you to provide a memento of your time at College. This will feature messages from staff too. Perhaps you want to send a message to your friends or share a special photo? Send your pictures and messages to c.redshaw@huddnewcoll.ac.uk

DATE FOR THE DIARY: 21st MAY

Following the success of our recent inspirational guest speaker, John McCarthy, we are delighted to reveal our next guest is Olympic athlete Julz Adeniran. Julz will be sharing his inspiring journey from an inner-city, underprivileged background, and a single parent family, to the Olympics. Also a Law graduate, Julz will be sharing more about how never giving up on your dreams can lead to success. Julz will be joining us in a few weeks on Friday 21st May from 1.30pm.

We will also be taking the opportunity to combine this with a special goodbye for our departing Year 13 students - look out for more details coming soon! Please note that we are not authorised to record Julz's session therefore it will not be available to watch after.
