HAVE YOUR SAY...

THE BIG ASK

The Children's Commissioner has recently launched a nationwide consultation. This is aimed at young people up to the age of 17. This is designed to identify your concerns about the future, and the support you may need. The results will help to shape the Government's Covid-19 recovery plans - so it's key to have your say. Completing the survey will only take 5-10 minutes and you can access it here: <https://tinyurl.com/bk7cm6cn>

LOCAL ELECTIONS

6 MAY

Remember, the local elections take place on Thursday 6th of May. If you're 18 you will be able to use your vote. Using your vote means you can have your say and provides you with a chance to help decide who will make key decisions. This short video shares more about why using your vote is so important: <https://vimeo.com/89107673>
