

INTERESTED IN A CAREER IN LAW?

Ramsdens Solicitors

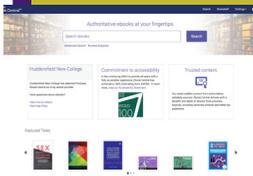

Our Careers team is here to support you to achieve your ambitions. As part of this the team is hosting a series

of meet and greet opportunities in the Junction with a range of employers and professionals. This will be a chance to learn more and ask your questions!

The series will start with an opportunity to meet the team from Ramsdens Solicitors who will be chatting about the wide range of careers available in Law, and the different specialisms. They'll also be talking about routes into the sector, including apprenticeships.

Pop along to the Junction a week today to meet the team (Thursday 24th November) - no need to book!

A LIBRARY AT YOUR FINGERTIPS

Your online library contains thousands of books, journals and resources which you can download at any time.

You can search by title, topic or even keyword. A range of fiction books are also available to enjoy too. To access the eBooks log in to Moodle and select the 'Independent Learning' tab.

USE YOUR VOICE: REGISTER TO VOTE

Thank you to all students who have joined us for our Equality and Diversity Week celebrations.

Don't forget that there's still events running! Today (Thursday 17 Nov) is your chance to register to vote whilst at College. Voting gives you the power to help decide how the UK is run. The MPs you help to elect will be making decisions on issues that you care about. From roads and recycling, to education and climate change, voting means you are selecting the people who represent you on the issues that matter.

Voting is a quick and easy way to have your say on the way the country is run - so if you don't vote, you'll be unable to have your say over the issues important to you!

Today you can also experience democracy in action by casting your vote for our new Charity of the Year. We can't wait to see which charity you choose!

Want to learn more about why voting counts, and how you can still have your say even if you don't agree with what the main political parties have to say?

Visit <https://votingcounts.org.uk> to learn more.

DID A MEMBER OF YOUR FAMILY ATTEND HNC?

Our Careers team is currently inviting former students to share their career insights and advice via a short video. If your brother, sister, parent/carer or other family member attended HNC and now have an interesting job, we'd love to hear from them! All we will need them to do is film themselves answering a few short questions as part of our 'Footsteps from HNC' series. Please do mention this to former students you know who are now established in their careers. If they email news@huddnewcoll.ac.uk full details will be provided!

TALKING POINT: THE WORLD CUP

Soon the World Cup will commence in Qatar. As you will know there has been a great deal of press around why Qatar has been chosen to host the World Cup given the country's approach to LGBTQ+ rights - Qatar is of course a country where same sex relationships are illegal.

The England squad are flying in a 'Rain Bow' plane featuring Virgin's LGBTQ+ icon. As part of our British Values talking point series, we're asking the question "Should countries who don't themselves uphold values similar to our British Values be allowed to host global events such as these?"

All students who share their views will be entered into a draw to win a free Starbucks coffee. Send your paragraph to news@huddnewcoll.ac.uk
