

## SHOW RACISM THE RED CARD

This month is Black History Month - thank you for sending through your inspirational individuals!

This Friday 21st October is Wear it Red Day, where people across the country will be wearing something red to demonstrate how they are proud anti-racists committed to showing racism the red card.

As a College we will be participating in this day, so please do join us by wearing something red tomorrow (Friday).

## HAPPY HALF TERM

College breaks for half term tomorrow (Friday 21st October) and reopens on Monday 31st October. We hope you have a restful and enjoyable half term break!

 @huddnewcoll

## GET ACTIVE

Staying active is important for both your mental and physical wellbeing.

Here at College you can access a wide range of enrichments which support your health and wellbeing. With the weather turning colder, you may be outdoors less - these enrichments are therefore a great option to stay active during the winter weeks. Regardless of your study programme you can:

- Access a daily lunchtime (Monday - Thursday) range of sports activities including table tennis, badminton and basketball in the Sports Barn
- Use our Fitness Suite, including for a female only session
- Join our Ballet or Acro enrichments
- Sign up for Taijiquan - a form of Chinese exercise (starts 7th Nov)

To find out more and sign up log into Moodle and select 'Student information' 'Enrichment' and then 'Sports'

## OUR NEW MODULAR BUILDING IS UNDERWAY

You may have noticed that there are some building works taking place by our Health and Social Care and Sport building.

This is our new modular building and will see the creation of six brand new classrooms. The building is being constructed offsite, and during installation some of the rear carpark will remain closed.

We will keep you updated on the progress, and look forward to welcoming you to this new facility.

We are continuously investing in your campus and facilities to offer you the best possible experience.

## WE ARE HNC

You may have spotted that there has been a slight change to our logo. For some time we have of course been known as HNC and our logo has been updated in reflection of this and our vision, mission and ASPIRE values. This doesn't mean any change for you, but you'll start to see this updated logo around HNC.

*Park on Campus? Please remember you must display a permit*

*Thank you to everyone who helped at our Open Event last night - it was a fantastic evening!*
