

COULD YOU BE A HEAD STUDENT?

Yesterday (24th March) all Year 12 students were sent a special email about the opportunity to become a Head Student. Due to our current team nearing the end of their studies, we are seeking applications for a new team!

This exciting opportunity will see you representing your fellow students and HNC, and undertaking a range of duties. All of these experiences will build skills in leadership, negotiation and organisation amongst many others. Of course, being a Head Student also ensures you stand out from the crowd when applying for university or the world of work. Take a look at your email for full details and the application pack.

We'd also like to thank our outgoing Head Student team who have made a huge contribution to the student experience.

HAPPY EASTER

Tomorrow (Friday 26th March) is our last day of term. College will reopen on Monday 12th April.

We hope you have a restful and enjoyable Easter break. Don't forget to get involved in our Halifax - Halifax (Oz) challenge!
