

FREE PERIOD PRODUCTS

Did you know that you can access free period products as a student at HNC?

This scheme is available to ALL students who have periods, and ordering products is quick, easy, and confidential.

There's a wide range of products available including disposable pads, tampons and Mooncups. If you want a more sustainable period experience, you can also order a pair of the washable ModiBodi briefs.

Why buy when you can obtain your choice of these for free? All you need to do to order is to complete the form here, and we will contact you when it is ready to collect: <https://tinyurl.com/bde8z3ej>

GIVING BACK

Here at HNC we care for others. As part of this we have a permanent collection point in College for the Welcome Centre, a local foodbank. These can be found in the Aspire centre and the entrance to the Art building. The Welcome Centre provides food parcels to in need families so if you're able to donate any tinned or dried goods, please do so.

ENRICHMENT SPOTLIGHT: KNITTING

In each edition of Moodle News Bites we'll be showcasing just one of the opportunities available to you as part of the enrichment offer.

In this edition we'll take a look at our popular knitting & crochet club. Knitting has of course enjoyed a resurgence in popularity with many celebrity fans, but did you know as well as being a mindful, relaxing activity it can improve your manual dexterity and concentration? It's also a brilliant way to meet and chat to new people and is scientifically proven to reduce anxiety.

Our knitting and crochet club is open to all - no prior experience is required and all are welcome.

When: Wednesday lunchtimes
Where: Room 413 (Science corridor)
